THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI S. REGUPATHY): (a) The Government has decided to set up a National Disaster Management Authority and initiated action to build up specialized capabilities for rapid intervention in case of disasters.

(b) A number of measures have been initiated by the Government to effectively respond to disasters. These include regular monitoring of the situtation; coordination and review of response and relief at various levels; issue of early warnings; and strengthening the preparedness by taking up training and equipping of specialist response teams drawn from Central Para Military Forces. The mitigation measures taken include training and orientation of members of All India Services, other Government functionaries and representatives of Panchayati Raj Institutions etc for disaster management; building up the capabilities of engineers and architects through training in hazard resistant design and construction of buildings, promoting awareness generation, incorporating the subject in school education as well as in the engineering and architecture curricula at under-graduate level; strengthening the institutional mechanisms for human resource development in the field disaster management etc.

(c) The country has experienced recurrent heavy rains and floods, cyclonic storms, landslides, hailstoms, heavy snowfall, avalanches and Tsunami of varying magnitude during the last three years. Based on the information received from the affected State/UTs, details of the human lives lost and damage to property as a result of these disasters are given below:—
